## NEWSLETTER INDEX

As the publication of the Divisional Newsletter has continued throughout the years, it has become apparent that the value of these volumes would be greatly increased if members had access to an abbreviated index or guide to the contents of the Newsletters. Recently the Secretary's office has had specific requests for the preparation of an index to the Newsletter file. Consequently, we have prepared an alphabetical guide to the contents of all Newsletters published since the inception of this Division in 1947. The guide, which constitutes the bulk of this issue of the Newsletter, is organized volume by volume. We hope this guide will prove useful to Newsletter readers, and that the publication of an index will become an annual event.

## MID-YEAR MEETING OF THE EXECUTIVE COMMITTEE

This year the Divisional Executive Committee faces an unusually long agenda, and heavy pressure of business for its mid-year meeting. Therefore, the Committee has decided to meet earlier than usual this year, so that matters which involve discussion and close collaboration with various APA Boards and Committees may be explored in good time. The mid-year meeting of the Executive Committee is to be held in Chicago on Saturday and Sunday, January 23 and 24. The Committee will consider the mid-year reports of the various Divisional committees, and will consider as well such matters as membership qualifications, changes in the structure of the program for the annual meeting, and By-law changes as may be recommended by the APA Policy and Planning Board. Any Divisional member who wishes to submit matters for discussion by the Executive Committee at this time is, of course, cordially invited to do so. Topics for discussion may be sent to the Divisional Secretary (Dr. Ann M. Garner, 5728 Ellis Avenue, Chicago 37, Illinois), or, if you prefer, to any member of the Executive Committee. For your convenience, the present membership of this Committee is listed below.
